The summary session of the Africa Climate Week is the moment that brings together all the different discussion streams and highlights key takeaways from the three thematic areas: Energy Transition, Nature Based Solutions and Cities & Local Actions that guided discussions throughout the Africa Climate Week.

These takeaways will be presented by a moderator and will be the basis for a panel discussion of regional expert leaders and the Special UN SG Summit Envoy. The session will be followed by a panel discussion on the key takeaways in the context of sustainable development and climate action in the African region, in a way that relates to “real-life” challenges the region faces.

Moderator: Ms. Vanessa Gyan, TV Host, Actress, Producer

Speakers:

- Ambassador Luis Alfonso de Alba, Special Envoy for the 2019 UN SG Climate Summit
- H.R.H. Princess Abze Djigma, Chair of the H.R.H. Princess Abze Djigma Foundation
- Ms. Djatougbe Aziaka, President of Togo Welfare and Director of Eco Conscience TV
- Dr. Manuel de Araújo, Mayor of Quelimane, Mozambique
